

SAVE FAVORITES -- TEACHER.

Have you found a web page in a SciLinks collection that you would like to save as a favorite? You can save it in a separate list to make it easier to find. To save and view these, follow these simple steps:

1. When reviewing a list of web pages for a topic, Click on “Save to Favorites” under the web page you wish to save.

Search

You searched for
“Weather (slmk228)”
 Grade Level(s):
Kindergarten, 1st, 2nd, 3rd, 4th

4. To see your favorites, click on the titles of each web page.

* Please note that the SciLinks development team is working on a feature to allow you to share these with specific classes and users, which you'll control in the third column, "Share." For now, once you've added a web page to "Favorite Websites" it is shared with ALL students associated to you.

Favorite Websites

Save and pass your favorite websites along to your students.
